Hello and thank you for reaching out to Councilmember Mike Bonin's Office,

If you are seeking assistance from the Councilmember with anything related to Los Angeles International Airport (LAX) including the LAX Northside Plan or the LAX Landside Access Modernization Program, please contact Geoff Thompson at (310) 568-8772 or via email at [geoff.thompson@lacity.org](mailto:geoff.thompson@lacity.org). As of March 9, 2017, Mr. Thompson serves as the LAX Community Liaison on behalf of Council District 11.

After a year and a half of serving as the LAX Community Liaison on behalf of the Councilmember and the residents of Council District 11, I have accepted a new position at a local consulting firm. It has been a pleasure serving you; please keep in touch!

Best,

Omar Pulido

Omar Pulido, who has served as Mike's LAX-Community Liaison since 2015 announced last month that he would be leaving Mike's office to accept a position at a consulting firm. Omar has been an exceptional representative working on behalf of the neighborhoods near the airport, and he was instrumental in getting the agreement approved that will allow LAX to modernize without moving the north runways closer to homes in Westchester.

Omar will be replaced by Geoff Thompson, who until recently was working with Mike as CD11's interim Transportation Policy Director. Geoff has a broad range of policy experience, and in addition to helping guide Mike's Transportation Policy work in the last few months, Geoff also helped author and design the City's Comprehensive Homeless Strategy report when Geoff worked with the City Administrative Officer's office.
